

Everyone
can make the world
a better place

WE WORK IN TEAM: quality comes from collaboration.

Our team working ethics.

- We respect our employees that we deal fairly and with respect, looking after to everyone regardless of age, disability, nationality, sex, race, politics or business, or religious commitment and sex.
- our approach to the professional development of employees is very broad; we organize training courses and courses to help them in the execution of tasks and career development in our company.
- we operate in compliance with laws and regulations relating to national tourism contract.
- where possible, we employ people of the local community.
- train our employees on the commitment required for a sustainable business to get them involved actively in achieving our goals.

We carefully select our suppliers, in order to cooperate with our actions sustainable.

We inform our suppliers of our environmental sustainability policy where aim is to make our structure more efficient and socially responsible.

All our suppliers are aware that we implement actions for reduced drug waste and for the Betterment of all good practices environment through ZERO WASTE HOTEL® Protocol.

In this perspective we encourage our suppliers to adopt policies consistent across the reduction of packaging, the rational use of energy and transport across product.

A HOTEL “SOCIAL”:
we believe in the relationship with the local community.

A close relationship with the surrounding territory.

- We will maintain a close relationship with our local community, ensuring that all issues relating to our work are solved in mutual interest.
- Where possible, We buy goods from local vendors.
- We encourage our staff to volunteer in local community activities.
- The protection of children is taken very seriously and we inform our employees about actions to take if they suspect some child is in danger. • a portion of the income from our business is intended to humanitarian programs.

Always attentive to the Health and security.

- Maintain a guarantee of quality for health and safety procedures
- Our staff is trained to deal with emergency situations that deals with health risks.
- Within our hotel there is a defibrillator.
